

HIPAA Collaborative of Wisconsin

Why should I join a HIPAA COW Networking Group?

NETWORKING GROUPS OFFER:

- Invaluable networking opportunities with other entities in the State of Wisconsin and other states
- A forum for sharing ideas, knowledge, and work products, to ultimately reduce duplicate efforts and increase efficiencies in our organizations
- Opportunities to provide insight on where your organization stands on a particular issue
- A forum for problem-solving
- Opportunities to learn from your peers how their organizations are approaching certain issues
- Assistance when you are trying to complete projects at your own organization
- Participation at a level comfortable for your position, skills and experience
- Opportunities to identify educational topics for HIPAA COW Conferences and Roundtables

HOW DO I SIGN UP FOR A NETWORKING GROUP?

To be added to a Networking Group, please create a FREE profile on our website, hipaacow.org, and select which groups you would like to join or contact our office at hipaacow@badgerbay.co.

HIPAA COW'S MISSION

- Assist HIPAA Covered Entities, Business Associates, and other interested parties in implementing HIPAA's Privacy, Security, and EDI Standard Transaction provisions, as amended over time
- Foster public education about HIPAA
- Facilitate and streamline HIPAA implementation through identification of best practices
- Reduce duplicate efforts among entities obligated to comply with HIPAA
- Offer opportunities for partnering and collaboration between entities implementing HIPAA
- Identify and evaluate new or difficult HIPAA interpretation issues
- **To learn more about HIPAA COW, please visit our website at www.hipaacow.org**

Moo and Chew: Operations

Who should participate?

Anyone interested in discussing health care operation topics such as

- Providers
- Payers
- Attorneys
- Health Care Consultants
- Privacy Officers
- Security Officers
- Compliance Officers,
- Risk Managers
- IT Professionals
- Health Information Professionals

Why should you participate?

You are interested in discussing, hearing others' perspectives on, and learning about a variety of health care operations topics.

What topics are covered?

These calls provide an open forum for participants to discuss a wide spectrum of health care operational topics.

Topics discussed include, but are not limited to:

- Questions about HIPAA privacy and security compliance
- Privacy and security in the news
- Health care operations
- Health care trends
- How we are handling recent impactful events

Participants are encouraged to bring topics to the calls and collaboratively share their expertise and experiences.

When is the next call?

One hour calls are scheduled for the second Tuesday of each month.

Security

Who should participate?

- Providers
- Payers
- Attorneys
- Health Care Consultants
- Privacy Officers
- Security Officers
- Compliance Officers
- IT Professionals
- Health Information Professionals

Why should you participate?

To provide an opportunity for information sharing and identification of best practices for implementing the security rules.

To provide opportunities to participate in the creation of security deliverables (sample policies, procedures, position statements, whitepapers, preemption documents, etc.) and the option to take advantage of those deliverables.

To establish a forum for participants to voice concerns and seek assistance in resolving troublesome security issues.

What topics are covered?

This group has generated template security policies covering the majority of the security rule and several whitepapers addressing specific security-related topics. In the future, our goal is to give guidance on practical operation implementation of the rules as the security rule is not a one size fits all rule.

When is the next call?

One hour calls are scheduled for the fourth Wednesday of each month.

Risk Management

Who should participate?

- Providers
- Payers
- Attorneys
- Health Care Consultants
- Privacy Officers
- Security Officers
- Compliance Officers
- IT Professionals
- Health Information Professionals
- Risk Managers

Why should you participate?

It provides an opportunity for information sharing and identification of best practices for implementing the HIPAA regulations in organizations' risk management programs.

It provides opportunities to participate in the creation of risk management deliverables (sample risk assessment templates and methods to complete risk analyses, risk mitigation methodologies, policies, procedures, position statements, whitepapers, etc.) and the option to take advantage of those deliverables.

It establishes a forum for participants to voice concerns and seek assistance in resolving troublesome risk management issues.

Healthcare IT

Who should participate?

- IT Executives / Leadership / Management
- System Administrators
- Network Administrators
- Developers
- Security Specialists
- Database Administrators

Why should you participate?

You enjoy collaborative discussion that addresses the unique challenges that are associated with technologies in Healthcare.

You want to better understand how to create HIPAA-compliant solutions.

You are frustrated by the lack of resources on the Internet for Healthcare-related technologies.

You enjoy discussing technology!

What topics are covered?

- Encryption
- Virtual Desktop Infrastructure (VDI)
- Cloud-based Services
- Security
- Auditing
- Disaster Recovery
- Patient/ Member Portals
- BYOD (Bring your own Device)
- Data Integrity
- HL7/FIHR
- Access Controls
- Authentication / Identity Management
- Data Loss Protection
- Protecting our Healthcare data from Hackers and much, much more!

When is the next call?

One hour calls are scheduled for the third Wednesday of the month.

Privacy

Who should participate?

- Providers
- Payers
- Attorneys
- Health Care Consultants
- Privacy Officers
- Health Information Professionals

Why should you participate?

Quarterly forum group calls provide an opportunity for information sharing and identification of best practices among privacy stakeholders focusing on HIPAA, federal regulations and Wisconsin law. They also establish a forum for participants to voice concerns and seek assistance in resolving troublesome privacy issues.

Deliverables revision calls offer opportunities to participate in the creation and revision of privacy deliverables (sample policies, procedures, position statements, whitepapers, preemption documents, etc.)

What topics are covered?

- Preemption
- Privacy/Security overlap
- Policies
- Whitepapers (employee health, occupational health, breach notification, etc.).

When is the next call?

One hour calls are scheduled for the third Thursday of the month in February, May, August and November. A variety of individual groups are meeting via phone calls to work on deliverables (policy) revisions on an on-going basis.
