

Security Roundtable HIPAA Collaborative of Wisconsin September 10, 2004

Purpose

This is the first in a series of in-depth roundtable discussions of specific implementation topics for persons in Wisconsin responsible for HIPAA security compliance. Special emphasis will be on areas where collaboration in compliance between entities will be necessary or helpful. The collaboration topic for this roundtable will focus on the possibility of setting a standard for E-mail security within the Wisconsin healthcare community.

Speakers

Ted Ohlswager - As the HIPAA Coordinator for the Wisconsin Department of Health and Family Services, Ted manages the central privacy and security functions. He serves on the HIPAA COW Board of Directors and chairs the HIPAA COW County Task Force and the Security Technical Workgroup.

Todd Fitzgerald, CISSP, CISA, CISM - Todd is the Systems Security Officer for United Government Services (part of the WellPoint Health Networks family of companies), which is the largest processor of Medicare Part A claims. Todd is a member of the HIPAA COW Board of Directors and co-chair of the Security Taskforce for HIPAA COW.
